Dear Symphony Patron,

Like many of you, as we reach the end of 2019, we are in a spirit of reflection. It's hard to believe the **CSO is celebrating 18 years** of bringing fine classical, jazz and music education to our community! We have grown as artists and teachers in our mission to bring the joy of symphonic music to the lives of West Georgians. Hopefully, you and yours are among the many lives we have impacted over the years. The Carroll Symphony Orchestra provides our youth with world class entertainment and professional instruction and elevates our collective cultural profile, making us a more attractive community to newcomers and business. **We have a number of ensembles and programs that help us accomplish our mission, including: Young Composer Competition, CSO Music Academy, Carroll Community Wind Ensemble, Carrollton Jazz Orchestra, Atlanta by Six and the Carroll Symphony Orchestra.**

We need your help maintaining our existing high-quality programing and adding new features, such as bringing back the Masterworks Concert. **Please consider joining the Carroll Symphony Orchestra at one of the membership levels listed below.** Your gracious support will help develop the skills of young musicians, expose area students to classical music, provide quality entertainment, showcase original orchestral scores and fund scholarships, performances and guest artists.

On behalf of the Carroll Symphony Orchestra, we thank you for your support and look forward to seeing you in the audience.

Sincerely,
Terry Lowry, Conductor
